Dear Mr. Denniston:

Thank you for your inquiry regarding the Department of Defense (DoD) compliance with Executive Order 13360. Creating a business environment that understands, appreciates, and leverages the tremendous value of service-disabled veteran-owned small businesses (SDVOSBs) to America's economic and military strength is a priority for the Department of Defense (DoD). As the director of the DoD Office of Small Business Programs, I am the designated senior level official responsible for developing and implementing the agency strategy for the DoD. Resources for SDVOSBs and the current DoD SDVOSB Strategic Plan are located on www.business.defense.gov

If you need additional information please contact my office at 571-256-7791.

Sincerely,
